Mr. Lie Njie, President
Northern California Peace Corps Association
Post Office Box 2547
San Francisco, California 94126

Dear Mr. Njie,

Thank you for your very thoughtful handwritten note. The Peace Corps is an essential component of America's engagement with nations around the globe, and I'm exceedingly proud of Peace Corps volunteers from across the country who continue to make a positive impact each and every day across the world. I'm more than happy to be part of the effort in Congress to protect the Peace Corps' critical funding.

As the mother of a former Peace Corps volunteer, I thank you and the Northern California Peace Corps Association for your advocacy in support of the Peace Corps. As always, whenever I can be of assistance to you, just let me know.

Most gratefully,
